

HAJJ 2027 / 1448 AH

Your Journey to Hajj

The Complete Nusuk Registration & Pilgrimage Roadmap

FOR PROSPECTIVE U.S. PILGRIMS

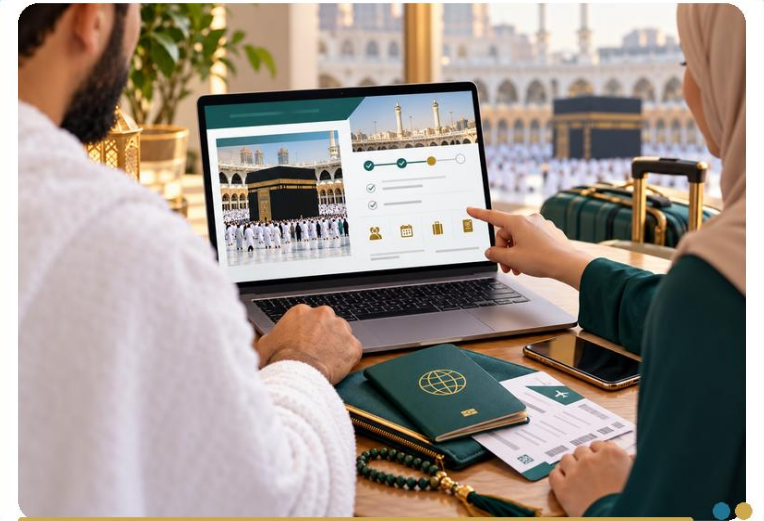

Presented by Umrah Lane Inc. | October 2026

PILGRIM BRIEFING

Start at the official Nusuk Hajj website

The channel for eligible U.S. pilgrims is a website - not the everyday Nusuk mobile app.

- Official platform: <https://hajj.nusuk.sa>
- Register, verify, choose authorized packages and pay within Nusuk
- Hajj visa / permit must be approved before traveling
- Agents may advise or support logistics; they cannot sell Hajj visas or process off-platform Hajj bookings

**REMEMBER**

Do not use tourist or Umrah visas for Hajj.

NUSUK OFFICIAL JOURNEY • STAGE 01 / 10

Create your Nusuk account

Use your actual residence and identity information.

- Go directly to hajj.nusuk.sa and begin official registration
- Select your country of residence and enter a working email
- Verify any registration email or one-time code promptly
- Use strong credentials; keep them secure

PILGRIM ACTION

Check whether the 1448H / 2027 application cycle is actually open.

NUSUK OFFICIAL JOURNEY • STAGE 02 / 10

Upload required documents

Upload readable, consistent information for each pilgrim.

- Passport image: all details legible and unobstructed
- Photo: use current Nusuk specs; optional resizing: saudivisaphoto.com
- Confirm names, dates and document numbers exactly
- Check passport validity, upload status and rejected files

**PILGRIM ACTION**

Use original identity documents; confirm exact 2027 photo rules.

NUSUK OFFICIAL JOURNEY • STAGE 03 / 10

Complete the application

Treat every field as a verification checkpoint.

- Fill nationality, residence and personal details accurately
- Provide travel and eligibility details requested by Nusuk
- Add eligible companions; confirm rooming and family arrangements
- Review every pilgrim profile before final submission

**PILGRIM ACTION**

Each companion may require a separately verified profile.

NUSUK OFFICIAL JOURNEY • STAGE 04 / 10

Application verification

Submitted does not mean verified—or accepted for Hajj.

- Track profile status inside Nusuk and monitor email
- Respond quickly to any correction / resubmission request
- Expect different processing times between applicants
- Escalate persistent errors using official Nusuk support

**IMPORTANT**

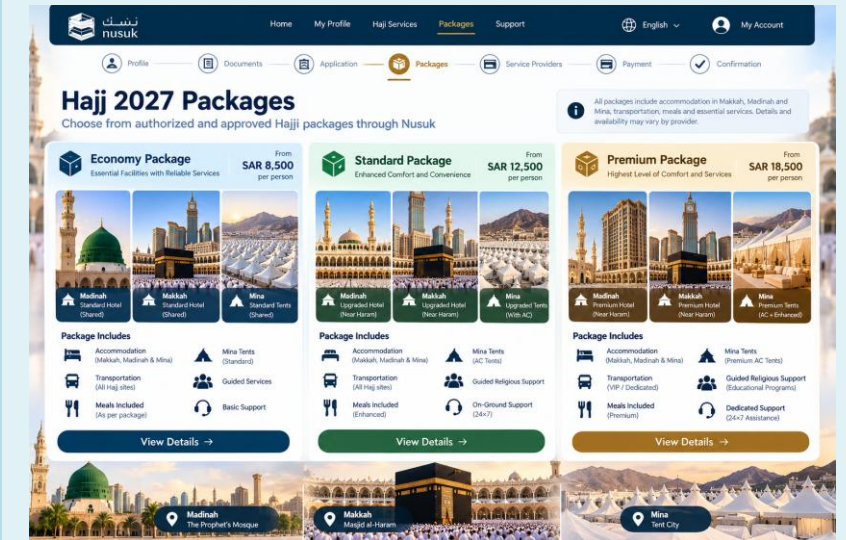

Do not book irreversible travel solely because you created an account.

NUSUK OFFICIAL JOURNEY • STAGE 08 / 10

Select your preferred package

The cheapest package is not always the best fit.

- Shifting: hotel change around Hajj; Non-Shifting: one Makkah base
- Inspect flight arrangements, nights, room occupancy and meals
- Understand Mina / Arafat / Muzdalifah camp and transport choices
- Compare walking distance, accessibility and total inclusions

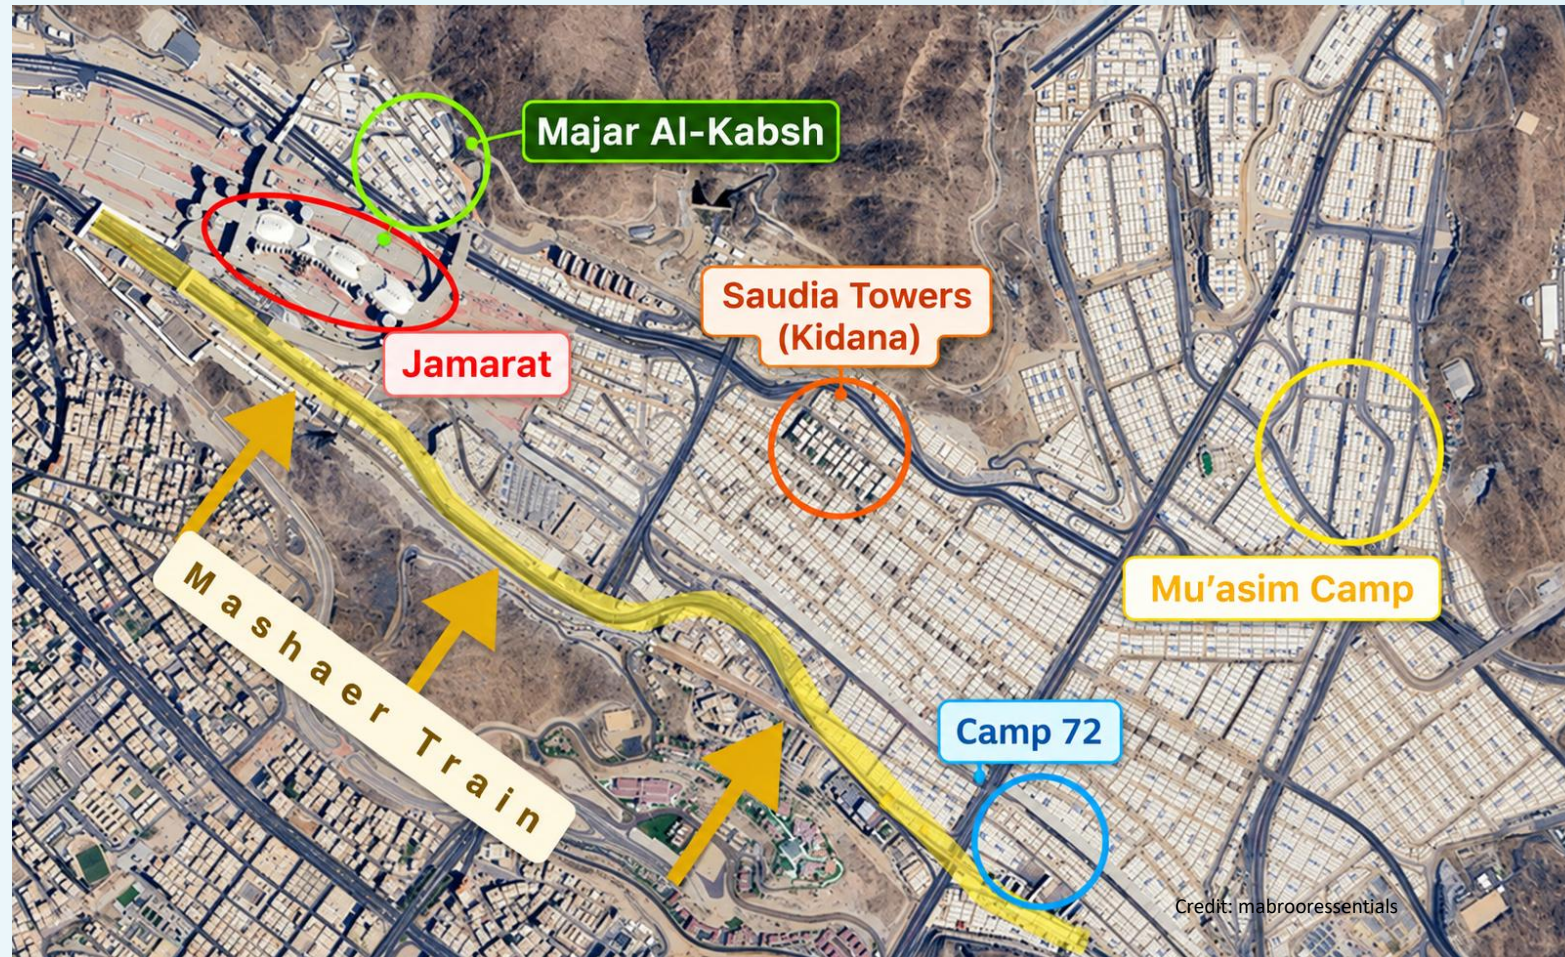

PILGRIM ACTION

Save package details and terms before booking.

NUSUK OFFICIAL JOURNEY • STAGE 08 / 10

Birds Eye View of Mina

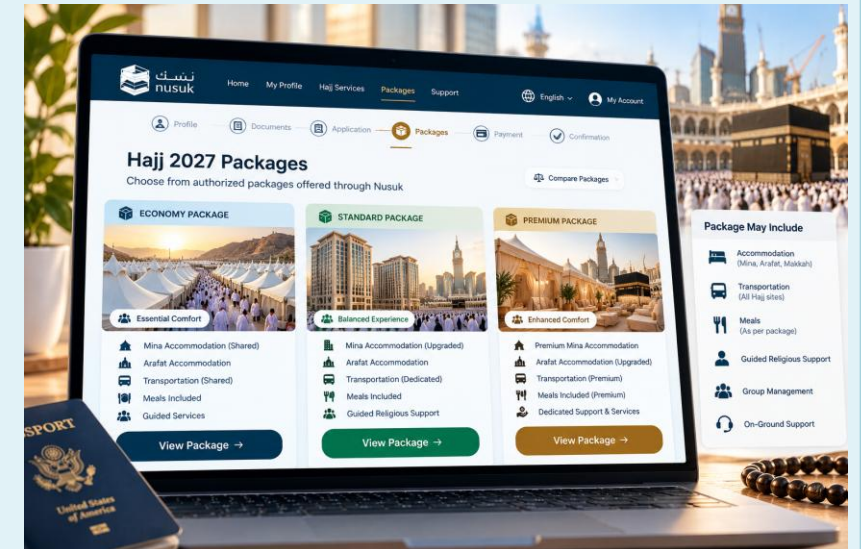

NUSUK OFFICIAL JOURNEY • STAGE 05 / 10

Select preferred category

Establish a shortlist before sales open.

- Review eligible package categories and service levels
- Choose budget, stay length and hotel expectations
- Decide whether keeping the family together is essential
- Understand that preferences do not reserve inventory

**PILGRIM ACTION**

Have a primary package choice and realistic backup options.

NUSUK OFFICIAL JOURNEY • STAGE 06 / 10

Top up the Nusuk e-wallet

Prepare funds only through the official payment interface.

- Wait for Nusuk to enable the e-wallet for your account
- Review full pricing, top-up methods and currency conversion
- Budget for fees, personal costs, card limits and exchange rates
- Read refund, residual-balance and failure rules before funding

**IMPORTANT**

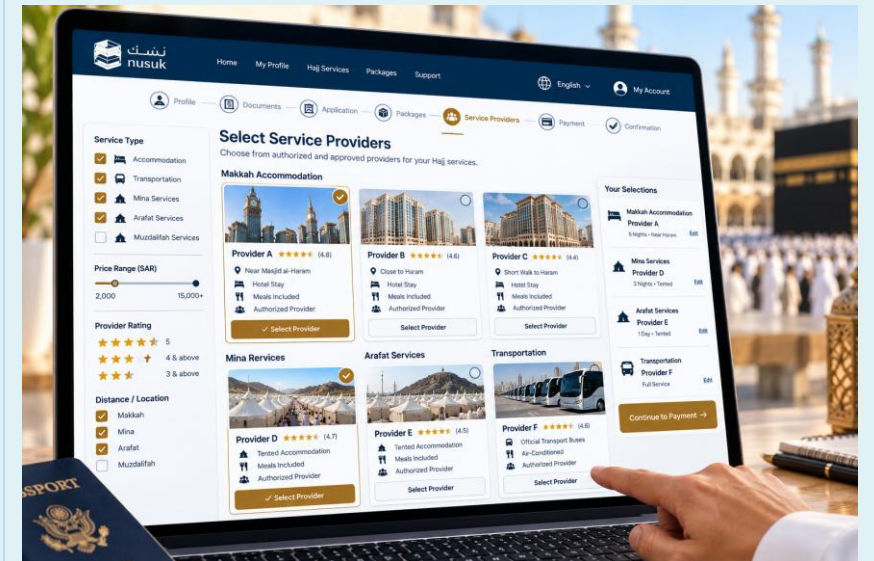

Never transfer Hajj package money to an individual or unofficial agent.

NUSUK OFFICIAL JOURNEY • STAGE 07 / 10

Browse authorized service providers

Compare the operator delivering the actual services.

- Study the licensed provider listed within Nusuk
- Compare accommodation, transport, Mashair camp and support
- Check flight routing, airport and city sequence when shown
- Read inclusions and exclusions instead of relying on marketing

PILGRIM ACTION

The provider shown in Nusuk is the authority for the selected package.

NUSUK OFFICIAL JOURNEY • STAGE 09 / 10

Book your package

Availability is limited and payment confirms the selection.

- Be signed in before the announced sales window
- Confirm traveler list, exact inclusions and total price
- Complete the official Nusuk checkout within any time limit
- Save transaction confirmation and booking reference

**IMPORTANT**

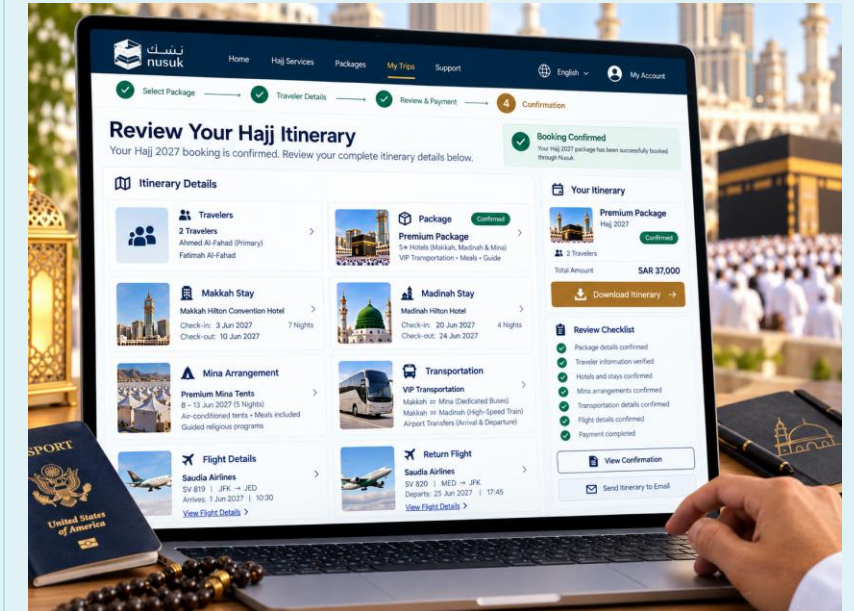

A verified application is not a confirmed seat; a completed booking is different.

NUSUK OFFICIAL JOURNEY • STAGE 10 / 10

Review your final itinerary

Check every document as details become available.

- Confirm travel dates, airline itinerary and accommodation
- Monitor issuance of Hajj visa / permit and travel documents
- Confirm airport arrival, pickup contacts and transport handoffs
- Report discrepancies immediately through official channels

PILGRIM ACTION

Do not travel without required valid Hajj documentation.

PILGRIM BRIEFING

Visa, permit and flights

A Hajj booking involves regulated immigration and travel steps.

- Check the visa and permit status in Nusuk before departure
- Match name, passport, birth date and entry / exit dates
- Do not use a Saudi tourist, transit or Umrah visa for Hajj
- Follow package flight rules and do not assume flights are freely changeable

**REMEMBER**

Confirm official visa validity and approved travel dates.

PILGRIM BRIEFING

Health and vaccination readiness

Protect your health and meet the season's entry rules.

- Check the official 1448H / 2027 Saudi health circular once issued
- As prior guidance, MenACWY meningococcal vaccination is required for Hajj travelers aged 1+
- Previously: vaccine administered at least 10 days before arrival, within validity period
- Consult a travel-health clinician about other vaccines, chronic illness and medication

**REMEMBER**

2027 requirements may differ; do not treat 2026 rules as final.

Mistakes that can cost you a booking

Risk controls for first-time Nusuk users.

- Waiting to renew a passport or uploading poor-quality photos
- Assuming “registered” or “verified” means “booked”
- Ignoring payment failures, queue windows or package fine print
- Paying unknown intermediaries or relying on social-media promises
